

Course #17-103

THE CONNECTED HOME Opportunities to grow your business and increase profitability

Connected Thermostats and the Smart Home

Course Description: This course provides a deep dive into the opportunities that are being created with the trend in consumer electronics to create a “connected home”. Homeowners and building owners are looking towards this new technology to add convenience and save money. Honeywell’s selection of Connected Thermostats is the perfect fit for your customers. Whether you realize it or not, you are on the front line of this new technology. If you don’t offer this solution to your customers, someone else will!

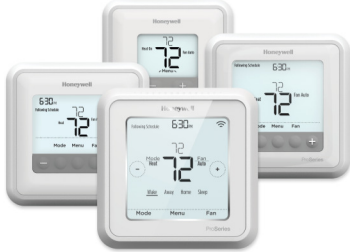

Date: March 28th (Tuesday)

Time: 10:00 am—1:00pm
(Lunch Provided)

Where: Capitol Supplies

Cost: \$10 per person

Honeywell Factory Reps will be conducting this popular class!
